

HUSKIE'Z HAPPENING'Z

Summer Schedule: Being WaterWise

As the heat index creeps up for the season, you will need to be aware of the proper ways to manage your lawn. Here are a few tips to keep your grass green as well as make the most of your use of water.

1. Ensure that you have a schedule setup for your sprinkler system.
2. Installing drip lines in shrub beds and garden areas, will help to more fully water the roots as well as conserve more water.
3. In our area of Utah, we are currently strongly encouraged to limit our water to 2 times each week (one watering is equal to 20 minutes with pop-up sprinkler heads and 40 minutes with impact rotor sprinklers)
4. Consider planting more waterwise vegetation, like: Apache Plum, Autumn Sage, Blue Mist Penstemon, Table Mountain Ice Plant, or Chocolate Flower.

OUR GARDEN BOXES ARE BACK IN STOCK!

THIS OR THAT?

OUR **TOPSOIL** IS SCREENED DIRT AMENDED WITH HORSE MANURE. THE SCREENING PLANT USES A 3/16" SIEVE TO FILTER THE DIRT THROUGH THE MACHINE. NO DEBRIS OR ROCKS! PERFECT FOR USE UNDER SOD.

THE **50/50 PREMIUM TOPSOIL** WE HAVE IS 1/2 HIGH QUALITY COMPOST AND 1/2 OF OUR PREPARED TOPSOIL. THIS TOPSOIL HELPS IN OPTIMIZING YOUR PLANT'S DEVELOPMENT FOR YOUR GARDENS.

EMPLOYEE SPOTLIGHT: Victor De Lucio

Victor De Lucio is our spotlight employee for the month of June! He is our Project Manager for all landscaping construction projects and has been with us for 12 years. His favorite food is all! His birthday is July 28th. Victor loves working at Huskie'z Landscaping because the company works hard.

HUSKIE'Z HUMOR OF THE MONTH

Q: What's the funniest kind of landscape?
A: Hill areas

NEWS FROM THE SHOP

Here at Huskie'z, we've been growing rapidly! Our hard-working crews and office staff are irreplaceable and we are so proud to have them on our team.

While we're at it, we've got some new faces at the shop. **Courtney Bennett**, Office Manager, joined our team back in March, and we are thrilled to have her. She works hard to make her customer have an amazing customer experience each day. If you have any questions on lawn maintenance or topsoil products, give her a call at (801) 712-7334 or email at courtney@huskiezlandscaping.com

We also welcome **Aaron Barell**, Estimator, who has completed our family with his silliness and go-getter attitude. His email is aaron@huskiezlandscaping.com. If you would like to setup a time for him to come out and get you a bid on your landscaping projects, Please do not hesitate to reach out to Heather for qualification at (801) 541-6263 or fill out an estimate request form on our website, www.huskiezlandscaping.com. We look forward to working with you!
