

# HUSKIE'Z HAPPENING'Z

## News From The Shop

We'd like to welcome our new estimator, Moises "Moy", who joined the office staff back in July. He fits right in with our employees inside and outside of the office. We are so excited to have another valuable member of the Huskie'z team!

### EMPLOYEE SPOTLIGHT: OMAR J.

Our spotlight for August is the one and only Omar J.! He has been working with Huskie'z for over 3 years and is our CDL driver. Omar works so well with our customers and he always leaves a smile on their faces! We appreciate you and all the hard work you do, Omar! Keep up the amazing work.

## Have You Heard? We're in a Drought.

We are experiencing one of the worst droughts on record and we have no clue how long it will last. I'm sure a lot of you are wondering how you can help to reduce your use of water. These water-saving tips are key in helping to conserve water during this difficult time. Thanks to [slowtheflow.org](http://slowtheflow.org), for the helpful tips.

1. Water 2 times per week (North UT)
2. Prioritize your watering
  - a. Trees
  - b. Shrubs
  - c. Perennials
  - d. Annuals
  - e. Grass
3. Set your mower blades at 3-4"
4. Don't water if it is windy (over 5 mph)
5. Don't water between 10am and 6pm

### HUSKIE'Z HUMOR OF THE MONTH

Q: What's a landscapers favorite music genre?  
A: Mow-Town
